

IMPORTANT SAFETY NOTICE

- Please change needle box when boxes are _ full or contents reach “full” marking on label.
- Do not strike side of box or subject it to any mechanical force in an attempt to settle or realign contents.
- Verify that lid is secured and locked prior to disposal.
- Never put hands/fingers in access door.

If you have any questions, please contact Epidemiology, x4376 or the Office of Research Safety, x2723.
